COUNTY CONVENTIONS.

EXTRACTS FROM THE GENERAL LAWS OF NEW HAMPSHIRE.

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of the June session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Convention shall appoint two auditors biennially, one each from the two leading political parties, for the two years next following, whose duty it shall be to examine the accounts of the county commissioners and county treasurer, &c.

The County Commissioners shall furnish said auditors all the aid and information required by them in the performance of their duties, and shall recommend to the county convention the sum necessary to be raised for the county for each of the two years ensuing, stating in detail the objects and purposes for which the money is to be appropriated and applied.

The County Convention for each county shall during the session of the Legislature, raise or grant a county tax for its county for two years; but the tax for each year shall be voted separately for that year, and shall be collected for the year in which it was voted.

The sheriff, the jailer, the physician, the clerk of the court, the solicitor, the treasurer, the county commissioners, and the superintendent of the county farm, of each county, shall make up their reports, separately, to May first, annually, and the same shall be printed together in pamphlet form in said month of May, and said reports shall be distributed as now provided by law.

The reports of the several officers named shall contain a summarized account of all their transactions which concern the county, for the current year, ending as aforesaid, and the report of the superintendent of the county farm shall contain, in addition, a list of the paupers actually supported at the farm, and the number of weeks each was so supported; and also, a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculation was made.

At the County Farm, the two buildings set apart for the insane and feeble-minded are generally fully occupied. More room would be frequently convenient, if not pressingly needed at this time. The Commissioners suggest that the old Asylum be moved to some location where it can be used if emergency required; and that, covering the old location, a wing be built to the new brick Asylum, about 36x70 feet, providing pleasanter, more commodious and additional accommodations for this unfortunate class. Should the Convention coincide in this view, it will of course provide the necessary means.

The Commissioners are under repeated obligations for timely and liberal contributions of sums in aid of the Library recently established at the County Farm; also for books and periodicals. Hon. John J. Pillsbury of Northwood, Oliver Hunt, Esq., of Danville, Miss Lizzie Pearson, Miss Harriet McE. Kimball and the Misses Foster of Portsmouth, Samuel Taylor of Brentwood, and Capt. Horace Merrill of Epping have been especially mindful in this regard. Contributions of this character are extremely welcome, and a general invitation is extended to all who may please to donate books, magazines or papers, illustrated or otherwise, calculated to instruct or amuse the inmates of the institution.

The acknowledgements of the Board are due to the Officers in charge of the institution, and those employed under their direction, for the efficiency, zeal and fidelity manifested in the discharge of their duties.

Your attention is invited to the statements and accounts, and to the several reports hereunto attached.

PHYSICIANS' REPORT.

To the Commissioners of Rockingham County:

Gentlemen: In compliance with custom and duty, we submit the fifteenth annual report of the medical department and sanitary condition of the County Almshouse, House of Correction and Insane Asylum, for the year ending April 30th, 1885.

The general health of the inmates of the institution has been exceptionally good, no epidemics having prevailed during the year. The mortality has been rather less than the average for several years past, confined to the aged and infirm. The rate of mortality in institutions of this character must necessarily remain high, where so many aged, diseased and shattered constitutions congregate.

The sanitary conditions of the institution have been well cared for under the efficient management of the Superintendent and wife. Ventilation has been as good as the facilities would allow; the rooms have been well warmed and cleanly kept. Disinfectants and soap and water have been freely used.

There are in the Insane Asylum, fifty-one patients,—thirteen males and thirty-eight females,—a decrease of five since the last report. Twenty-nine are suffering from chronic mania, seven from dementia, five from recurrent mania, three from puerperal mania, three from epilepsy, two from nymphomania and two from melancholia. Of these, two or three may recover sufficiently to be cared for by their relatives at home for a while, but will be liable to recurrent attacks which will necessitate their restraint in this or similar institutions. The others are incurable, and being in indigence, mostly, must receive the maintenance provided by an intelligent, beneficent humanity.

There have been twenty-two deaths in the institution during the year :

Gerald Walsh, died May 2, 1884, of disease of the liver, aged 46 ; admitted April 19, 1884, from Portsmouth.

Finton Bahen, died May 11, 1884, of consumption, aged 68 ; admitted May 7, 1884, from Windham.

Daniel Walker, died May 17, 1884, of pneumonia, aged 76 ; admitted March 21, 1884, from Portsmouth.

Harry Jenkins, died May 30, 1884, of general debility, aged 74 ; admitted May 21, 1884, from Portsmouth.

David Durgin, insane, died June 1, 1884, of apoplexy, aged 58 ; admitted July 28, 1883, from Deerfield.

Charles Prescott, died June 11, 1884, of disease of the heart, aged 36 ; admitted March 10, 1873, from Windham.

Ellen Kimball, insane, died July 29, 1884, of anæmia, aged 48 ; admitted Nov. 2, 1874, from Auburn.

Dennis Leddin, died Aug. 3, 1884, of consumption, aged 29 ; admitted July 21, 1884, from Portsmouth.

Frank M. Robinson, died Aug. 8, 1884, of consumption, aged 36 ; admitted July 14, 1884, from Brentwood.

Charles C. Palmer, insane, died Aug. 21, 1884, of paralysis, aged 63 ; admitted March 27, 1884, from Derry.

Mary A. Alexander, died Aug. 28, 1884, of chronic peritonitis, aged 92 ; admitted Aug. 3, 1883, from Portsmouth.

Sarah R. Richardson, died Oct. 4, 1884, of heart disease, aged 70 ; admitted Aug. 3, 1883, from Derry.

Grace B. Hartford, died Oct 7, 1884, of paralysis, aged 80 ; admitted Nov. 7, 1883, from Candia.

Lydia Berry, died Oct. 12, 1884, of old age, aged 82 ; admitted May 22, 1873, from Portsmouth.

Lois Tasker, insane, died Oct. 23, 1884, of old age, aged 82 ; admitted Aug. 30, 1884, from Exeter.

Joshua Frizzell, insane, died Nov. 19, 1884, of diarrhœa, aged 44 ; admitted Oct. 6, 1884, from Portsmouth.

John M. Bagley, died Dec. 8, 1884, of pneumonia, aged 93 ; admitted Dec. 4, 1879, from Raymond.

Edward Bahen, died Dec. 19, 1884, of pneumonia, aged 82 ; admitted Dec. 5, 1884, from Windham.

Stephen Murphy, died Dec. 28, 1884, of consumption, aged 18; admitted Oct. 17, 1884, from Portsmouth.

Winthrop J. Hilton, died Jan. 10, 1885, of pneumonia, aged 78; admitted June 27, 1873, from South Newmarket.

William Nolan, died March 21, 1885, of disease of the liver, aged 48; admitted Aug. 26, 1881, from Portsmouth.

Sarah Tilton, insane, died April 23, 1885, of heart disease, aged 81; admitted Oct. 12, 1875, from Epping.

Of those who died, two were over ninety years of age, five were over eighty, four were over seventy, two were over sixty; six were insane. One died within one week of admission, four within two weeks, one within one month, four within three months.

We again acknowledge the kindness and assistance rendered by the Superintendent and wife and others connected with the institution, in the discharge of our official duties.

Respectfully submitted.

CHAPLAIN'S REPORT.

To the Honorable Board of Commissioners for Rockingham County:

Gentlemen: When, one year ago, I entered upon the Chaplaincy of the County Almshouse, it was with feelings of hesitation and distrust of my ability to deal successfully with the various classes of unfortunates gathered in this institution. Yet, as it clearly seemed to be a Providential call, I entered upon the work with the determination, by the aid of Divine grace, to do what I could to bring them to the enjoyment of the salvation and comfort of the Gospel. And now, in review of the year, the painful reflection is forced upon me that but very little of what was so needed has been accomplished. Yet, the required Sabbath services have been held; they have been fully attended by the different classes of inmates and the employees of the institution, excellent order has been maintained, and a good degree of interest manifested. The music evidently is a source of attraction, and the influence of "Gospel Hymns" cannot but be salutary. All persons are encouraged to join in the singing; and the introduction of a good supply of books, which has been effected within the year, affords all who will an opportunity so to do.

Last summer, a Sabbath school was organized, into which all the children and some adults were gathered. This was successfully sustained by the faithful and efficient teacher of the primary school, Miss Tucker, as long as the latter school was in session, being aided to some extent by friends without.

A weekly prayer meeting has also been sustained with a degree of interest and ability which it would be an encouragement to witness in many of our country parishes.

In the firm belief that the ordinances of the gospel are designed for all, and that the poor and unfortunate are the last

who should be neglected, I have administered the sacraments of Baptism and the Lord's Supper to such of the inmates as seemed, in the judgment of charity, entitled to receive them.

It is not to be expected that the fruits of the Spirit will appear in their greatest fullness among the inmates of an almshouse, or that they who in such a place are led to profess faith in Christ will manifest greater exemption from the frailties of fallen humanity than is found among the more fortunate members of our christian churches ; but as followers of Him whose special mission it was to call *sinner*s to repentance, we should reckon it our choicest privilege to preach the gospel to the poor, to call to repentance those farthest fallen from virtue, and, with hearts full of the tenderest love and sympathy, extend a helping hand to every one who seems to be making even the feeblest effort to rise toward a noble and godly life.

Please allow me to say that, in my judgment, here is an important field for faithful and wisely-directed efforts in the interests of humanity, and respectfully to suggest that an arrangement for a preaching service *every* Sabbath would be beneficent and wise, and that the slight additional expense necessary to secure this would be a profitable investment.

I wish to express my hearty thanks to the Superintendent, Matron and all the Assistants, for the courtesy and kindness invariably shown me, and for the cheerful and kindly spirit in which they have co-operated to aid me in my work ; also, to all others who have rendered assistance in singing, playing the instrument, in the Sunday school work, by the donation of books and papers and by their attendance at the various services, many of whom could attend only at considerable inconvenience and effort.

All of which is respectfully submitted.

E. B. PIKE, Chaplain.

SHERIFF'S REPORT.

To the Chairman and Board of County Commissioners:

I have the honor to respectfully submit to you my ninth successive annual report.

I am again able to report a decrease in the jail expenses at Portsmouth. My last report shew a decrease for the year ending May 1, 1884, of \$600, and this year the figures in the Treasurer's report will show a falling off from last year of \$942.75, while the average number of prisoners have been two more than the preceding year.

At the Exeter jail, Deputy Tilton has received during the year, seventy prisoners,—nine more than last year,—and the total expenses of that jail has also decreased during the past year \$283.84. Some beneficial changes have been made there in the heating pipes. I respectfully recommend that a cell be fitted up for women, apart from the male prisoners.

The Court expenses connected with this office (viz.: per diem and travel of deputies, conveyance of prisoners, court messengers, &c., &c.) have also decreased \$245.30, as will be seen by a comparison of the Treasurer's report for this and the preceding year.

To Alfred W. Haven, Esq., (every Sunday), Mrs. John T. French, John Sise, Esq., Andrew J. Penhallow and Rev. John L. Elwyn I am indebted for contributions of reading matter for the prisoners at Portsmouth, and also to Dr. E. B. Goodall, Horace E. Frye, Rev. Mr. Crossett, William P. Israel, John

S. Rand, D. H. Montgomery and several ladies, for occasional Sabbath day visits and religious services at the jail.

Mrs. McIntyre, of Exeter, has for many years manifested an interest in the prisoners at both jails, for which she is entitled to credit.

At Exeter only incidental cases of sickness have occurred, and Dr. Hall speaks of the Portsmouth jail as follows :

PORTSMOUTH, N. H., April 30, 1885.

For the year past the sanitary condition of the jail at Portsmouth has been very good. No death has occurred. There has been considerable sickness of brief duration, most of which the patients contracted before entering the jail. I always find the wards clean and well ventilated. The help employed appear kind and efficient, and the general management careful and judicious.

Very respectfully,

J. F. HALL, M. D.

I annex and make a part of this, the report of Deputy Jailer Tilton at Exeter :

EXETER, April 30, 1885.

Two of the Board of Commissioners,—Messrs. Joseph C. Burley, Chairman, and Wells C. Underhill,—I have been associated with as a county officer for several years. You retire June 1, 1885. Our relations have in all this time been most pleasant, and I acknowledge myself indebted for many personal courtesies in our official career. To the other continuing member of the Board, who has also been an associate official for nearly the whole time I have been Sheriff, and to the people of this county, whose public servant I am, I return my sincere thanks, and remain—

Very respectfully,
